

## About Us

BBFoster Consulting, PC is a North Carolina based professional services corporation founded in 2014. Our team brings more than 150 years of combined experience in managing programs and projects for federal, public, and private-sector clients. We hold SBA Small Business and HUBZone certifications in addition to being North Carolina DOT prequalified and DBE certified. Our professional organization affiliations include NSPE, ASCE and SAME. We deliver expertise across civil engineering, inspections, utility coordination and locating, facilities management, program management, construction contract administration, and Electric Vehicle (EV) infrastructure.
